

How do I register for the On-Line Tee Time System

In order to set-up your account you first need to register on the club website. Once you are on the club website you will have to navigate to the Members Online Booking page which will look like the screen below.

The screenshot shows the BRS Golf website interface. At the top left is the BRS GOLF logo. To the right, it says "Online Demo The No.1 Tee Time Management System". A "HOME" link is in the top right corner. The main heading is "Members' Internet Tee Reservation Service". Below this, a welcome message states: "Welcome to the Demo Golf Club Internet Tee Reservation Service. This service allows members to book a tee time over the Internet and get instant on-screen and email confirmation of their booking." It then explains that the service is an integral part of the club's live computerised booking system, ensuring accurate and up-to-date tee time availability. A note states: "To use this service you will need a username and password." Two buttons are provided: "Click here to Register" and "Book a tee time". The "Booking Process" section lists four stages: Stage 1: Select the day you want to play; Stage 2: Select the tee time you want; Stage 3: Enter the player names; Stage 4: Display and email confirmation message. It notes that bookings are only confirmed if the user proceeds to the last stage. An "Edit or Delete a Booking" section states that users can only edit or delete their own bookings by clicking an 'Edit' button. The footer contains the BRS GOLF logo, the text "Internet Booking Facility provided by BRS Systems", and contact information: "BRS Golf, 31 Burnside Park, Belfast, BT8 6HU, Northern Ireland Tel: +44 (0)2890 580363 Email: info@brsgolf.com".

If you click on the “Click here to register” button this will open up the registration form (BELOW).

You simply need to fill in the form below. Your USERNAME will be a unique number, the text to the right of the 'Username:' box will indicate what this number should be. In the example below you will see it is the 'club card number' however this may not be the case at your club. If you are in Ireland your USERNAME will be your 8 digit GUI number.

The e-mail address you provide us with will also be important, as this will be used to confirm all bookings.

Once you have completed the registration process you will receive an e-mail confirming your registration details. If you do not receive this within 24 hours could you please e-mail the club so we can check your details?
